

Live Hacking Demo at infosecurity Europe 2016

With **Sebastian Schreiber**

Managing Director, **SySS GmbH**, Germany

You Have Just Been Hacked – Live on Stage

During a live hacking presentation, Sebastian Schreiber, Managing Director of SySS GmbH – the leading German provider of penetration tests – performs different attacks on IT systems. He shows that it is astonishingly easy to bypass protective measures in order to access sensitive information.

- **07 Jun 2016**
- **16:40 - 17:05**
- **Technology Showcase**
